**RE: Phase I Environmental Site Assessment
Previous Garden Center West Site
11500 W. Fairview Avenue, Boise, Idaho**

To Whom It May Concern:

Summit Environmental, Inc. (Summit) has been retained to conduct an environmental site assessment on the property at 11500 W. Fairview Avenue, Boise, Idaho (see attached aerial map). The site is presently owned by Mr. Dieter Wiesmann. It is the past location of the Garden Center West nursery and landscaping ornament business.

An aerial map with the site location indicated is attached for your assistance. The established address for the site is 11500 W. Fairview Avenue, Boise, Idaho. If you have any questions about the site location please, contact Summit at 208.377.2900.

We would appreciate any available information your office might have regarding environmental contamination at the sites, or any nearby properties that may impact the sites. Information regarding any area or regional environmental concerns that may potentially impact the sites would also be beneficial.

Information pertinent to Summit's assessment would include, but not be limited to: chemical spill notifications, employee or citizen complaints regarding chemical management, noncompliance with environmental regulations (RCRA, CERCLA, etc.), leaking underground storage tanks, groundwater and drinking water information, sewer/septic and waste water information, or any current or past environmental investigations associated with this area.

Please call me at 208.377.2900 if you have any questions or need further information. A written response addressed to me prior to June 12, 2014 would be greatly appreciated. Please reference the site in your correspondence.

Sincerely,
Summit Environmental, Inc.
